- Worked 13 months as one of the first members of the first One Task Team in Store 2562's overnight receiving/stocking crew during which helped to create processes for efficiency.
- Trained with each new overnight employee to help them feel welcomed and confident in their work.
- Worked from February 2020 to 2021 as Plumbing Specialist to satisfy customers through excellent service.
- Transitioned into Plumbing Customer Service Associate while retaining the same level of responsibilities asked by supervisors and managers amidst the transitions and uncertainties of the pandemic.
- Promoted to Supervisor of Plumbing where I assisted and led my team through the uncertainties that continued from the pandemic throughout 2021 and beyond.
- Maintained and organized one of the top three highest volumed departments in my store.

- Achieved a Silver level service star award.
- Became Backend Supervisor in 2023 where I am responsible for everything that moves via freight trucks out of our multi-million dollar home improvement store.
- Spearheaded the product reflow initiative to maximize the organization of our store and the efficiency of moving product both in and out.

APRIL 2014 - DECEMBER 2018

The Shops at Lake Havasu, Lake Havasu City - *Security Guard*

- Responsible for maintaining a safe workplace, professionalism in all interactions, and performing as a theft deterrent through consistent and excellent customer service at the shopping center.
- Elevated to Field Training Officer to better assist my company with the new employees to help them feel welcomed and competent in their positions.
- Would regularly deescalate high stress instances.
- Charged with enforcing the Code of Conduct and
